### EDITORIAL

Dear friends, old and new welcome to the 1993 season of fabulous rugby league.

Sign-on this year has been the best ever and is still going on every training night.

Jim and I were privileged to watch some of our new talent on Saturday during trial games on Stradbroke Island. Once again we had a wonderful day with our Straddie friends.

A club record has been set, Shane Ross captain/coach of our Open's, who started his football career in u/7's 1972 and played all his football for Redlands, has signed-on his son Paul in the u/7's this year. Shane's father Norm Ross who was his coach in 1972 and is a past President of Redlands J.R.L., was there on Straddie to see his grandson make his debut.

Shane has had a distinguished career capped by winning the Brisbane Sub-Districts Player of the Year award in 1990.

We take pride in calling ourselves a family club and wish you all the very best for the coming season. If you have any problems at all please don't hesitate to approach any management committee member.

As everyone can see, the new clubhouse has shot up in the off season thanks to President Peter Mavin and his small but dedicated band of volunteers, we have a long way to go before we reach the standard of a "Broncos Club" but a few more willing hands at our working bees will help it along.

Many thanks to Eddie Curry, Neil Clark and Jim Knott for the hard work they did on Sunday, 4½ hours of setting out and marking the fields. It was a hard and arduous task but they stuck to it.
